Kyle Gabriel Galvez

UC Davis Student ID: 918030913
Phone: 949-295-7892
Personal Email: kylegmg@gmail.com
School Email: kgalvez@ucdavis.edu

OBJECTIVE

To acquire technical computer science skills that I can use to create meaningful solutions for the real world, build strong communication skills, and help facilitate a collaborative team environment.

WORK AND VOLUNTEER EXPERIENCES

Rec Sports Official; Davis, CA — 2022-23

Officiated UC Davis intramural volleyball, flag football, and outdoor soccer. Enforced the rules of sports together with other officials to maintain a fair and fun game for players.

United Methodist Church; Davis, CA — 10/2022

Worked with other volunteers to water plants, sow seeds, and clear weeds in the Church garden.

COURSEWORK

Introduction to Programming, Programming & Problem Solving, Object-Oriented Programming, Computer Organization & Machine-Dependent Programming, Data Structures & Algorithms.

EDUCATION

Mater Dei High School, 2016 – 2020   Summa Cum Laude Graduate

Davis - University of California, Undergraduate   Expected Graduation: 2024

Bachelor of Science in Computer Science   3.74 GPA

SKILLS

- Familiar with C, C++, and Python
- Understand how to communicate and work in a group setting

PROJECTS

Game Center: Hangman, Madlibs, Tic-Tac-Toe, and Rock, Paper, Scissors (Spring 2021)

- Created a game center in Python that allows users to play games with the command line interface.

Programming Homework: Calculator (Winter 2023)

- Created a 4 bit calculator in x86 assembly that was able to do bit-wise and basic arithmetic operations.
